PRESS CONFERENCE

On 29th June 2022, a press conference was organized informing about the progress in the implementation of the project „Specialized training as an opportunity to increase effectiveness of law enforcement agencies in the fight against organised crime”. The project is financed with Norwegian Financial Mechanism`s means and a state budget within the programme „Internal Affairs”. The programme is under supervision of Interior and Administration Ministry.

During the conference, a short film was presented and the benefits for Kuyavian-Pomeranian Police and thus for the safety of the inhabitants of our region, resulting from the already implemented activities were presented.
